Based in Ahmedabad , providing services all over India, the well renown Insight Interiors led by founder **Mr. Nitin Palkhiwala** in 1971, is dedicated to deliver excellent design at best value.

After almost a span of two decades, his son **Mr. Jinal Palkhiwala** set his foot into the business with a vision of bringing prompt expansion and diversity within the sectors of Architecture , Construction & Turnkey projects.

Inmobel is the result of the spark ignited by the founders of Insight and is the latest addition to its successful string of ventures.

Inmobel is a Vanguard of creativity that creates modern furniture with integrity and character. From delivering exemplary attention to details to never compromising on quality, Inmobel aims to bring in world class modular furniture, doors, windows, kitchen and much more to your door step.

Designed and manufactured at their in-house state-of-the-art facilities, Inmobel is the perfect missing link to bridge the gap between Conventional handmade Vs Exorbitant European furniture.

With Inmobel we wish to take our vision of creating a comfortable, aesthetic and value -for-money living and working environment for all stakeholders - even a step further.
