The mark of
responsible forestry

Based in Ahmedabad , providing services all over India, the well renown Insight Interiors led by founder **Mr. Nitin Palkhiwala** in 1971, is dedicated to deliver excellent design at best value.

After almost a span of two decades, his son **Mr. Jinal Palkhiwala** set his foot into the business with a vision of bringing prompt expansion and diversity within the sectors of Architecture , Construction & Turnkey projects.

Inmobel is the result of the spark ignited by the founders of Insight and is the latest addition to its successful string of ventures.

Inmobel is a Vanguard of creativity that creates modern furniture with integrity and character. From delivering exemplary attention to details to never compromising on quality, Inmobel aims to bring in world class modular furniture, doors, windows, kitchen and much more to your door step.

Designed and manufactured at their in-house state-of-the-art facilities, Inmobel is the perfect missing link to bridge the gap between Conventional handmade Vs Exorbitant European furniture.

With Inmobel we wish to take our vision of creating a comfortable, aesthetic and value-for-money living and working environment for all stakeholders - even a step further.

BRISANCE

Inmobel
DOORS

To further develop the concept of “Main doors”, Inmobel has decided to offer its clientele the possibility of having doors that are fine crafted from impervious Solid Wood.

Brisance combines the intricate grains of precious wood with the strong geometry of slats, creating a perfect cohesion of technology and tradition. The combination of vertical slats highlights the value of different architectural aspects such as verticality, proportions, aesthetics and so on, offering a sciography worth a gape.

Re-invented past in a strongly stylized collection
B R I S A N C E _ P R O J E C T
is realized with extraordinarily technological systems. The attention to detail and the continuous search for elegant, unique solutions are synthesized in the combination of each and every doors. If the harmony of sophisticated, refined elements designs a sublime atmosphere, it is the depth of the routing that creates great aesthetic impact.

BR_101

BRISANCE

A wooden slat door that upon closing flushes with the adjacent slat wall to give a continuous look from the inside

BRISANCE

BR_102

Enhancing the heights of aesthetics the vertical wooden strips are a game changer in the series of frame-less main doors

While modern doors are busy with being all chic and minimal, here is a slat door with an ethnic touch.

BR_104

A creative blend of a door with vertical lines and a transom above creates a continuous visual soothing to view.

BRISANCE

BR_105

BRISANCE

Light groove work in wood and solid black metal handle pops against the plain white wall for an elegant touch.

BR_106

Doors running from floor to ceiling are monumental in true sense

BRISANCE

Doors running from floor to ceiling are monumental in true sense

Design doesn't lie in what you see,
but what you make others see.
