The mark of
responsible forestry

Based in Ahmedabad , providing services all over India, the well renown Insight Interiors led by founder **Mr. Nitin Palkhiwala** in 1971, is dedicated to deliver excellent design at best value.

After almost a span of two decades, his son **Mr. Jinal Palkhiwala** set his foot into the business with a vision of bringing prompt expansion and diversity within the sectors of Architecture , Construction & Turnkey projects.

Inmobel is the result of the spark ignited by the founders of Insight and is the latest addition to its successful string of ventures.

Inmobel is a Vanguard of creativity that creates modern furniture with integrity and character. From delivering exemplary attention to details to never compromising on quality, Inmobel aims to bring in world class modular furniture, doors, windows, kitchen and much more to your door step.

Designed and manufactured at their in-house state-of-the-art facilities, Inmobel is the perfect missing link to bridge the gap between Conventional handmade Vs Exorbitant European furniture.

With Inmobel we wish to take our vision of creating a comfortable, aesthetic and value-for-money living and working environment for all stakeholders - even a step further.

DOORS

To further develop the concept of “Main doors”, Inmobel has decided to offer its clientele the possibility of having doors that are fine crafted from impervious Solid Wood.

In this catalogue you will find a vast selection of patterns, surface finishes and machining finishes like engraving, grinding, designer decorations, special Inserts and much, much more. There are thousands of possible combinations which will certainly be more than enough to fulfill any desire in the field of interior design.

Contemporary reworking of traditional wooden doors, **CAMAIEU _ PROJECT** doors are notmerely devised to connect two spaces. Indeed, they feature stylish design and extraordinary elegance. As absolute protagonists of the surrounding setting, they add style to the entire space.
