Inmobel
DESIGNER FURNITURE | DOORS

Based in Ahmedabad , providing services all over India, the well renown Insight Interiors led by founder **Mr. Nitin Palkhiwala** in 1971, is dedicated to deliver excellent design at best value. After a span of two decades, his son **Mr. Jinal Palkhiwala** set his foot into thebusiness with a vision of bringing prompt expansion and diversity within the sectors of Architecture , Construction & Turnkey projects. Inmobel is the result of the spark ignitedby the founders of Insight and is the latest addition to its successful string of ventures.

Inmobel is a Vanguard of creativity that creates modern furniture with integrity and character. From delivering exemplary attention to details to never compromising on quality, Inmobel aims to bring in world class modular furniture, doors, windows, kitchen and much more to your door step. Designed and manufactured at their in-house state-of-the-art facilities, Inmobel is the perfect missing link to bridge the gap between Conventional handmade Vs Exorbitant European furniture. With Inmobel we wish to take our vision of creating a comfortable, aesthetic and value -for-money living and working environment for all stakeholders - even a step further.

TAUPE_GREY
ACRYLIC

Introducing Taupe Grey Acrylic, a sophisticated and versatile choice for modern kitchens that seamlessly combines style and functionality. Our Taupe Grey Acrylic kitchens redefine contemporary design, bringing a sense of warmth and understated elegance to your culinary haven

Taupe Grey Acrylic kitchens are designed with meticulous attention to detail, offering a perfect blend of aesthetics and practicality. The color's neutrality allows for endless design possibilities, providing you with a versatile canvas to express your personal style

Choose InMobel's Taupe Grey Acrylic kitchens for a harmonious fusion of style and durability. Transform your kitchen into a space that not only inspires culinary creativity .but also reflects your refined taste for modern design

The rich and dynamic red hue creates a sense of drama, turning your kitchen into a space that stimulates creativity and excitement. Our Red Acrylic Kitchens are designed to be both visually stunning and highly functional, offering a seamless blend of style and practicality

The glossy finish of the acrylic surface not only enhances the intensity of the red color but also provides a sleek and modern aesthetic. Red is a timeless and versatile color that can be integrated into various design themes, from contemporary to classic, allowing you to express your unique personality in your kitchen.

Make a bold design choice with InMobel's Red Acrylic Kitchens and transform your cooking space into a dynamic and inviting environment. Embrace the power of red to create a kitchen that not only serves as a functional hub but also as a lively and inspiring focal point in your home.

ACRYMICA

Acrymica 2MM –worlds 1st product which marries acrylic and paper for furniture use. An extremely innovative product. Acrymica provides an aesthetically appealing look to the furniture by almost eliminating undulations from high gloss acrylic surfaces. It's patented process to provide a paper backing makes it extremely easy for any carpenter to paste it on any wooden surface using a conventional white glue without any .worries of the laminate peeling off

The Acrymica surface, with its blend of acrylic and durable materials, offers a luxurious matte finish that adds sophistication to your kitchen. The understated beauty of beige allows for versatile design possibilities, providing a backdrop that complements various interior styles and color schemes.
